

PRIVACY POLICY

This Privacy Policy will be effective from 25 May 2018.

This Privacy Policy describes the processing of personal data by NURITH S.p.A. ("The Company" or "NURITH") through the Web page www.nurith.it. In accordance with applicable data protection legislation (including the General Data Protection Regulation 2016/679 (the "GDPR"), the Company is responsible for processing personal data.

WHO IS THE HOLDER OF THE TREATMENT OF YOUR PERSONAL DATA?

- Identity: NURITH S.p.A.
- C.F./P.IVA: 01785690734
- Address: C.da S.M. Dattoli, snc
- Telephone: (+39) 099 8217111
- Email: privacy@nurith.it

WHAT PERSONAL DATA DO WE TREAT?

1. Personal information you provide to us: The Company will process the following information in order to provide:

- the contact service and, upon explicit request and prior specific authorization for the processing of personal data, in order to • send by e-mail with automated commercial, promotional and advertising procedures, market research, direct sales, using automated methods (via e-mail) and traditional (mail, telephone with operator), regarding products and services offered by NURITH and its partners (these activities are briefly referred to as "Services").

The provision of personal data is optional. However, in the absence of data marked with an asterisk as "mandatory" or "necessary", requests can not be made.

HOW ARE PERSONAL DATA PROCESSED?

The personal data thus acquired are processed by NURITH with computerized procedures observing suitable security measures to prevent the loss of data, illicit or incorrect use and unauthorized access, and in a manner suitable to ensure the correct management of the Services and related regulatory obligations.

WHO IS THE PERSONAL DATA?

The processing of personal data related to the provision of the Services is entrusted to employees and collaborators specifically appointed as appointed by NURITH, within the functions and offices designated for such Services.

Personal data may also be communicated to other trusted companies that, as managers, support NURITH in the provision of the Services, only where this is necessary for the provision of the requested Services.

CAN I REQUEST DATA CANCELLATION?

At any time, the data subject may exercise the access rights to the data concerning him / her, request the updating, correction or integration, if incorrect or incomplete; or the block cancellation, if it is a violation of the law, or may oppose a particular use, to the sending of commercial communications, in particular through automated methods present in communications via e-mail and on-line, and exercise the others rights provided by the privacy legislation, addressing directly to the email address privacy@nurith.it.

HOW LONG DO WE STORE YOUR DATA?

The Company will keep your personal data for the duration of the relationship necessary for the provision of the Services, unless cancellation is requested by you; and, beyond these, until the expiry of the mandatory statute of limitations in accordance with the applicable regulations in force.

LINKS AND USE OF COOKIES

This site may include, show links to other Internet sites for your convenience and information. These websites can operate independently from NURITH. It is possible that these websites having links to our site adopt special privacy policies, so we strongly recommend that you read them when you visit them. Except for Internet sites or Web pages owned or controlled by NURITH, we assume no responsibility for the content, use or privacy practices of other Internet sites that you visit having links to our Site.

In this Site you can select some features that work on Personal Data that NURITH shares with other entities or Internet sites (such as, for example, "Share" on Facebook, Twitter or by e-mail). These features transmit data to third parties who may use Personal Data in accordance with their privacy policies. Such third parties may use Personal Data in accordance with particular privacy policies. These features are operated by third parties that are not associated with NURITH. We therefore strongly recommend that you read the privacy policies of such third parties when you use the corresponding features.

NURITH has the right to use proprietary or third-party cookies while browsing the site to improve your browsing experience or to show you ads that fit your preferences and tastes. These cookies collect information about you and your navigation. To learn more about the cookies used by NURITH on this site, please read our [Cookies Policy](#).

UPDATES OF OUR PRIVACY POLICY

NURITH reserves the right to periodically update this Privacy Policy with three (3) days' notice to reflect changes in our personal data practices. We will then publish a prominent notice on the site to notify any significant changes to our policy, indicating at the top of the Web page the date of the last update.
